Your Reliable Partner in Safety and Supply

COMPANY OVERVIEW

Tamarisk A&M Company Limited is a fully registered Tanzanian company operating under the Companies Act, specializing in the supply of PPE, safety gear, and general supplies for mining companies, NGOs, government institutions, and corporate organizations.

With a wholesale shop and warehouse strategically located in Kariakoo, Dar es Salaam, we maintain strong inventory capacity and efficient logistics that ensure fast delivery and consistent stock availability. The company works closely with reputable manufacturers in China, enabling us to source high-quality products at competitive factory prices while offering flexibility for custom or specialized client requests.

Our dual operational focus on industrial safety and general corporate supplies positions Tamarisk A&M as a dependable, multi-sector partner supporting both extractive and development sectors across Tanzania.

VISION

To become a leading and trusted supplier of PPE, safety solutions, and general supplies supporting safe, efficient, and sustainable operations across Tanzania.

MISSION

To provide reliable, high-quality, and cost-effective supply solutions built on professionalism, compliance, and customer-focused service delivery.

CORE SERVICES

PPE & Safety Gear

We supply certified, industry-standard safety equipment suitable for mining, construction, industrial, and NGO field operations: - Safety boots and steel-toe footwear - Reflective overalls and safety workwear - Helmets and hard hats - Industrial gloves (all types) - Safety goggles and face protection - Respiratory protection (masks & filters) - Fall protection gear - Hearing protection - Fire safety equipment

General Supplies

Our general supplies division provides a wide range of consumables for organizations, NGOs, and corporate institutions.

1. Office Supplies - Stationery - Office equipment - Printing and documentation materials

2. Cleaning & Hygiene Supplies - Cleaning detergents - Sanitizers and disinfectants - Janitorial tools - Waste management supplies

3. Hardware & Construction Materials - Tools & fasteners - Basic electrical items - Plumbing items - General construction materials

OUR CAPACITY

Wholesale Shop & Warehouse

Kariakoo-based facility with adequate inventory, enabling fast order processing and reliable supply for both small and bulk orders.

Strong International Sourcing Network

- Direct partnerships with reputable manufacturers in China
- Ability to source certified PPE and industrial consumables at factory price
- Capacity for custom procurement based on client specifications

Established Distribution Experience

We have experience supplying: - Retail shop owners - Hardware shops - Local wholesalers - SMEs - Industrial and mining contractors

Our distribution capability is proven and ready to support large-scale tenders and institutional procurement.

LOCAL CONTENT & COMPLIANCE

Tamarisk A&M Company Limited complies with all relevant Tanzanian local content regulations for suppliers. We maintain all necessary registrations and are committed to meeting compliance standards required by mining companies, NGOs, UN agencies, and government institutions.

We continue to strengthen our local content readiness, ensuring transparent procurement processes and adherence to national and sector-specific requirements.

STRATEGIC OBJECTIVES

Mining Sector

Deliver PPE, safety gear, and industrial supplies that support safe and efficient mining operations.

NGOs & International Organizations

Provide cost-effective general supplies aligned with donor and institutional procurement standards.

Government Institutions

Ensure availability of high-quality office, hygiene, and hardware materials supporting public operations.

OUR TEAM

Theresa Edward Mohere
Founder & Chief Executive Officer

Theresa brings over 9 years of senior program management experience from Aga Khan Health Service, where she led multi-million-euro donor-funded health initiatives across the East Africa region. She now applies her expertise in compliance, strategic partnerships, and supply chain management to strengthen Tamarisk's operations and service delivery.

Emmanuel John Siboth
Business Development Director

Emmanuel has over 13 years of experience in sales leadership and business development across East Africa. He is skilled in consultative sales, institutional procurement, and national B2B strategy. His role is instrumental in expanding Tamarisk's footprint among mining companies, NGOs, government agencies, and the private sector.

Godfrey Edward Mohere
Head of Operations & Procurement

Godfrey brings over 10 years of specialized experience in procurement, warehouse management, and international sourcing. He oversees operations to ensure efficient logistics, consistent product availability, and timely delivery for all client orders.
